YOUR SATISFACTION: OUR GOAL

"Transcription Plus is a major asset for my company. Praxis is a market research firm, so accuracy is a top priority – Transcription Plus, LLC always pulls through. The staff is extremely proactive and responsive and they offer superior quality at reasonable prices and they always get the work done when they say they will. Transcription Plus is like having your own support staff in-house and I highly recommend them to any small or large business."

Adam Tomanelli

Praxis Research Partners, Monroe, CT

"We use Transcription Plus for a variety of content, from lectures and conferences to transcribing video tapes and teleconferences. The turnaround is great; sometimes as short as 24 hours. Accuracy is better than other services we have used. If you've got an important job, go with these folks; you won't be disappointed."

Michael Cohen

Cine'-Med, Woodbury, CT

"An excellent service, provided in a cost-effective and timely fashion. Transcription is extremely accurate and the privacy and confidentiality of my reporting has been maintained at all times. Overall performance has led to more than a 10% increase in my "on the road" marketing potential. I would seriously recommend Transcription Plus to any single-person office or small business with limited access to secretarial services."
