## YOUR SATISFACTION: OUR GOAL

"I have tried many local and online transcription services. Transcription Plus, LLC is far and away the best service I have worked with. Reports are timely and highly accurate. Communication is easy. Off-shore transcription may be slightly cheaper, but increased time and money I spent in editing is not worth it. Go with Transcription Plus, LLC.

*Bay Area Spine Consults, San Jose, CA*

"My recommendation of Transcription Plus, LLC comes from our relationship of over eight years. They have been very reliable, responsive, accurate and competitively priced. As technology has changed, they have used it to decrease their response time, decrease our costs and increase their ease of use. Over the years, they have shown their willingness to accommodate the way we do business. All of this taken together, Transcription Plus, LLC brings much more to the table than just transcription."

*Mark Salisbury*

*Pediatric Cardiology Assoc., Hartford, CT*

"It is with pleasure that I recommend Transcription Plus to my fellow physician providers. Documents are consistently produced in a timely fashion, with grammar and presentation being of excellent construction. I truly appreciate the flexibility, accessibility and promptness that Transcription Plus provides, as part of our office team".
